This is the financial condition which the were no great financial condition which the were not become the financial condition which the were not become as compared with the home-made yarn. There follows:-was less raw cotton imported from for ign contitries than in 1893, but the deficiency is made up Net foreign imports, market value by a much larger supply from the Yangteze provinces. Woollen goods have slightly fallen off. Metals, excepting lead, have shrunk considerably, the decrease being most visible in iron and copper. Of kerosene oil the quantity imported for the year in toroign bottoms is quite insignifi cant; the rest iction put upon its carriage by steamers and the low taxation ruling for the junk-imported article explain this sufficiently.

The increase among edibles is noteworthy. Bice has a fall of over 60 per cent. but this only refers to imports from Saigon and Original exports, market value18.031.721 Siam transhipped at Hongkong, for the coast Add duty paid at Canton wise arrivals of this commodity have been exceptionally heavy. The list of snodries contains a number of items interesting from the fact that Add 8 per cent, on market value for } their use is as yet not general amongst patives, and this growing supply seems to point to an increasing disposition to adopt them. Foreign flour has become an important staple among imports. In the course of 1894 154,000 plculs were landed at Canton-an increase of about 40 per cent. over the total of the year preceding his, possibly, has been due to the high prices for rice, consequent upon its scarcity throughout value, the expert trids to foreign constries has and has a second it as a second it and has a second it as a se not suffered any reduction in its volume compared with the figures of the previous year. Examined item by item; however, several of the other staple product of the port, shows a similarly our lunguages young man in the case is I seem now to have no option. I therefore and manufact red state is obviously a condition effect, a paregyrio of Mr. J. J. Francis' services I debted to us are, therefore, to have the privilege reverse is true. The investigation found wages bers of the Pyke Opera Company. "Falka" was Mr. Sach as true to have the article in its raw gut manufact, the debter bankrapt and appoint references. The investigation found wages bers of the Pyke Opera Company. "Falka" was Mr. Sach as true to have the mixing favourable to the Japanese broduct. Ship-
